This furnished non-residential space is situated on the 1st floor of a new modern residence in the popular Karlín district, on the edge of a park and close to a metro station and tram stop.

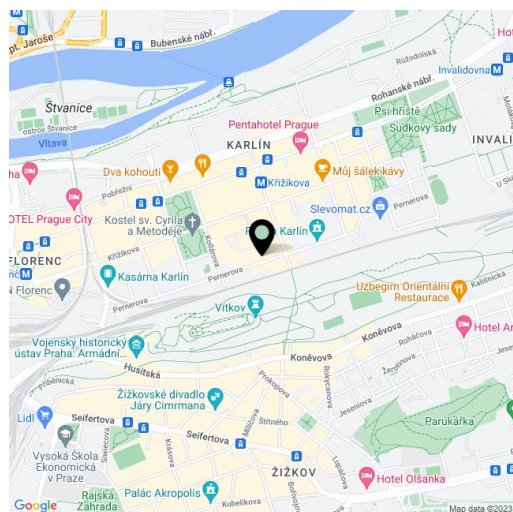

The unit consists of 1 room (with north-facing windows) and a toilet with a sink. The space offers 4 workspaces.

The project was completed at the end of 2019. Facilities include, for example, **three-layer oak floors**, large windows, or **security doors**. The building has an **elevator**. The unit is **furnished** with custom-made furniture. The purchase price also includes a **cellar**; a parking space can be purchased for CZK 700,000.

The ever-developing district of Karlín, reminiscent of European metropolises, offers **landscaped greenery**, **cultural centers**, shops, trendy bistros, cozy cafes, and gourmet restaurants. A metro station (line B) and the Křížkova tram stop is just a few steps away, and the ride to the city center takes only a few minutes. In a short time, you can also walk to the **vast park on Vítkov Hill** and use the local **bike path** or outdoor gym.

Floor area 16.9 m², cellar 3.53 m².

In addition to regular property viewings, we also offer real-time video viewings via WhatsApp, FaceTime, Messenger, Skype, and other apps.
