**This building plot with a zoning decision and project for the construction of a house with 3 residential units is located in a unique part of a popular residential area in Prague 4 - Braník Dobeška, providing wonderful views, plenty of greenery, and convenient access to all services.**

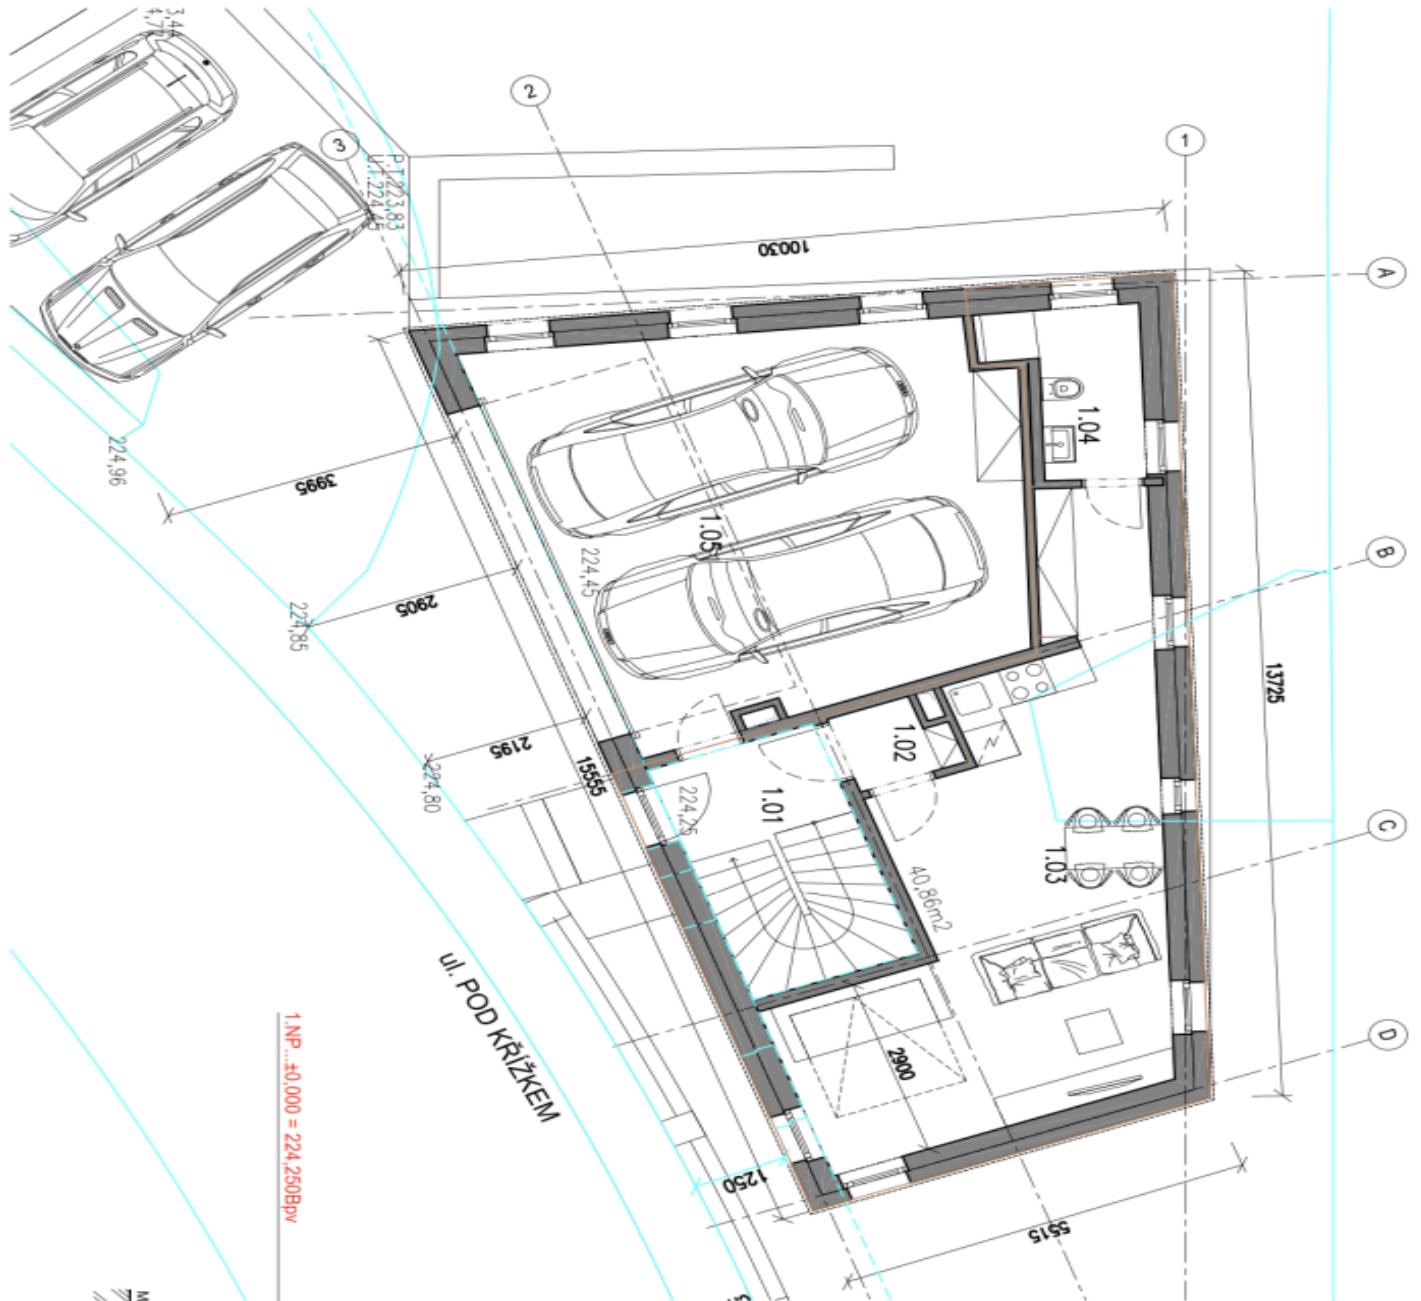

The property is **connected to utility networks**: sewerage, water, electricity, and gas. Access is via a lit asphalt road with a sidewalk. The offer includes a **project for the construction of a villa with three residential units** of different sizes, one underground floor and three floors above ground. Alternatively, it is also usable as a multi-generational family house.

**Excellent location**, just a few steps from a kindergarten and elementary school as well as a supermarket, there is a pharmacy, restaurant and cafe nearby. The **Branické skály natural monument** surrounds the residential district full of architecturally successful buildings. There is a bus and tram stop within walking distance, and within a few minutes you can reach the Smíchovské nádraží, Budějovická, or Kačerov metro stations. By car, it is possible to quickly connect to the Southern Junction.
