This air-conditioned apartment with high ceilings and a loggia facing a quiet green courtyard is part of a boutique residence that allows you to live in an Art Nouveau setting and at the same time enjoy modern comforts. All at a great address in the wider city center in Vinohrady.

The layout of the 2nd floor apartment offers a living room with a preparation for a kitchen, a bedroom with a **loggia** and a work corner, a second bedroom, a bathroom (with a bathtub and toilet), a separate toilet with a washing machine, and an entrance hall. The bedroom with a loggia faces **south** towards the **green courtyard**, while the living room is **north-facing** towards the one-way street.

Casement windows, replicas of the original **paneled doors** or decorative stucco reflect the history of the building, and modern elements include **Frevini parquet floors** in a **chevron pattern**, large-format floor and wall tiles by the **Fondovalle** Italian brand, or **Treemme designer bathroom faucets** in a bronze shade. **Air-conditioning** will ensure an optimal temperature even on hot days, and the building's gas boiler will take care of heating. The apartment comes with a **cellar storage unit**. The house has elegant common areas and a **modern elevator**, and there are only 2 apartments on each floor.

Cafes, restaurants, shops, private kindergartens, elementary, secondary, and **high schools**, the **Na Vinohrady Theater**, or the **U Hasičů Theater** operate in the immediate vicinity. Excellent transport accessibility is provided by the A line metro with a station only a few minutes' walk away, and tram stops are just as close. The beautifully landscaped **Riegrovy Sady** or the nearby romantic **Havlíčkovy Sady** parks serve as an escape from the hustle and bustle of the city.

Floor area 67.3 m², loggia 6.1 m².
