In addition to comfortable high-standard living, the residence will also offer its residents an underground garage, wellness, fitness, reception, or a garden in the courtyard.

The practical layout of the apartment consists of a living room with a kitchen, a bedroom, a bathroom (with a shower and toilet), a walk-in wardrobe/closet, and a hall. Both rooms lead to a southwest-facing balcony.

The high-standard facilities include wooden floors made of oiled oak, 2.1 m high rebateless doors, aluminum windows with insulating triple glazing and electrically controlled exterior blinds, premium kitchen fully equipped with appliances, large-format ceramic floor and wall tiles, brand-name sanitary ware and faucets, and a smart home system controlling, among other things, cooling, and underfloor heating. The apartment building will be surrounded by greenery with water features and a park arrangement that will naturally connect to the surrounding forest park. A restaurant will operate directly in the building with impressive views of the city and the wine paradise of Pálava, 50 kilometers away. There is a bus stop not far from the house, from where you can reach the city center in about 15 minutes, Campus Square shopping center is about 5 minutes away by car or bus.
