We offer 3,380 m² of office space in the BREEAM Excellent green-certified Pribinova 34 office building, which features flexible spaces with a low carbon footprint. The building has a total of nine floors of new generation offices for the most demanding clients. They will also appreciate having excellent accessibility whether on foot, by bicycle, public transport, or by car. At the CIJ Awards Slovakia 2022, the office building won the prestigious award in the Best Office Upcoming Development category for the best office project.

Location:

The administration building is located by the Danube riverbank and is connected to the popular Eurovea shopping center, which provides a wide range of services and shopping in the immediate vicinity. Another advantage of the location, besides being in the city center, is its full amenities and great accessibility by car, public transport, or on foot.
