This brand-new apartment with a southeast-facing loggia is part of the modern ZORA Harrachov project, which brings a fresh perspective on mountain living. The popular resort, located amidst the beautiful nature on the border of the Jizera and Krkonoše Mountains, offers excellent skiing conditions in a modernized ski area that will allow skiing from December to April. The completion date is planned for Q3/2027.

The area of the 1st floor apartment consists of a living room with a preparation for a kitchen, a spacious bedroom, a storage room with the possibility of placing a bed, a bathroom (with a **walk-in shower** and toilet), a hallway, and a pantry. It will be possible to enter the **southeast-facing loggia** from the living room and bedroom.

Facilities include **large French windows** with aluminum frames, wooden interior doors, vinyl floors, large-format tiles, **underfloor heating**, a **recuperation unit**, and a preparation for air-conditioning and shading. The price includes a **cellar**, and a **garage parking space** can be purchased. Residents will have access to a spacious **ski/bicycle storage room** and a **common room** with a kitchen.

The project is located in a **quiet part of Harrachov**, yet **restaurants and a supermarket** are within walking distance. The resort also offers cafes, bakeries and restaurants, shops, rental shops, and ski services. Thanks to the planned return of international ski jumping competitions, the entire resort is currently being gradually modernized. The rich offer of local activities is further expanded by the nearby **Polish Polana Jakuszycka sports complex**, the starting point of cross-country trails connected to the **Jizera Highway**. Harrachov is easily accessible, and the drive from the outskirts of Prague takes about **an hour and a half**. Direct bus connections are also available.

Floor area 50.03 m<sup>2</sup>, loggia 4.07 m<sup>2</sup>.
