This **maisonette's** layout includes a living area with a preparation for a kitchen, a study, a separate toilet, a walk-in closet, an entry hall, and a utility room with storage space and a connection for a washing machine. The living room has access to a **terrace** and the **garden** with beautiful open views of the game reserve, where you can spot deer, rabbits, pheasants, and even rare bird species. Upstairs, there is a master bedroom with an en-suite bathroom and a walk-in closet, along with two additional bedrooms (both offering uninterrupted views of the fields), a central bathroom, and a staircase hall.

The apartment was approved in January 2025 and **received the "Creative Facade of the Year 2025" Award by Baumit**. High-quality features include large aluminum triple-glazed windows with **exterior blinds**, **parquet floors**, hot water underfloor heating (gas boiler source), **heat recovery ventilation**, and **designer bathrooms** (all toilets are equipped with bidet showers). The unit is also prepared for **photovoltaic installation**. **Two outdoor parking spaces** are included.

The building is situated in a **quiet area** on the outskirts of the development, yet remains within quick reach of all essential services. A **private international school** is 600 meters away, while a public school is just a 3-minute drive. Nearby, you'll find supermarkets and various shops. Prague is easily accessible via the Pražský okruh (Prague Ring Road) and the D1 highway, and a suburban bus connects to the **Opatov metro station**. A **bike path** runs past the building, and **residents benefit** from a special permit allowing discounted entry to **Průhonice Castle Park, a UNESCO-listed site, is just a few minutes' walk away**.
