This almost two-hundred-square-meter apartment is located on the 4th floor of a listed and tastefully renovated building with an elevator, fitness center, sauna, and concierge services. The magnificent building, built in 1912/13 by a renowned architect who significantly contributed to shaping the appearance of Munich, is located close to the center and the Isar River.

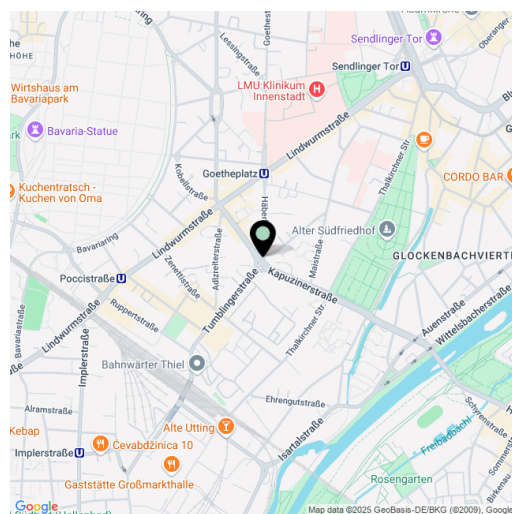

The bright apartment includes a spacious living and dining area with an adjoining kitchen, a study, a master bedroom with a **dress**ing room and bathroom, another bedroom, a bathroom, and a utility room.

The building was completely modernized in 2007–2010 according to the designs of the French star architect and designer **Philippe Starck**. The top-notch facilities of the apartment includes a **bulthaup** kitchen, custom-made furniture, and **designer lighting**. The residents have access to a **fitness center, sauna, and concierge services**, and the apartment has a **cellar storage unit**.

Isarvorstadt is one of the most sought-after residential parts of Munich. The district boasts a unique combination of shops, trendy restaurants, cafes, and bars, and there are many shops for everyday needs within walking distance. The nearby **protected park** is perfect for peaceful walks. There is a bus stop in front of the building, and a metro station is about a 6-minute walk away.

* Size of the unit according to the Housing Act.
The area consists of the sum total of the internal area of every room.
