This magnificent villa, an architectural masterpiece by Architect Francesco Buzzi, is matched only by the awesome beauty of nature.

The **south-facing** villa, built in 2009, boasts **cathedral ceilings**, an abundance of vast modern space that blends in effortlessly with the natural setting, a **guest apartment** with a separate entrance, and much more.

The villa is perfectly set in a **pristine, fairy tale setting** that offers complete peace and tranquility. The architect, Francesco Buzzi, achieved his goal of combining the Swiss landscape, modern design and local materials – the end result is a harmonious blend of **high-end living amid nature**.
