Live your dream life in this majestic castle-like villa set on a lake and boasting views of glorious mountains.

The "Castelletto" is undoubtedly an iconic type of building that one often dreams of living in. Built in approximately **1800** by a local rich timber merchant family, this unique villa with **private lake access (130 m lakefront)**, with jetty, slip, buoy), a **maintained park with statues & fountains** and several **additional buildings** is classified as a historical monument. **Restored and renovated**, the property served most recently as an **exclusive hide-away for world famous artists**.
