**This air-conditioned family house with a pool is on a corner plot that is a part of the private Golf Hostivař residential complex. It offers modern and comfortable living with various sports facilities and services in close vicinity.**

The bright basement with large windows to the **atrium** and **garden** contains a hall with a **walk-in wardrobe** and direct access from the garage and outside, a cleaning room and a large space suitable for example for wellness room, study, or workshop. On the ground floor, there is a living room with a kitchen, dining room, and access to the **south-facing terrace**, a master bedroom with a walk-in wardrobe, a guest bedroom, a bathroom, an entrance hall, and a separate toilet with connections for a washing machine and dryer. Upstairs is a quiet zone consisting of two bedrooms and a bathroom. One of the bedrooms has access to the **terrace**.

The architectural style of the house is inspired by Czech Functionalism and the materials used are of a very **high standard**. Three-layer wooden floors are used throughout, and the terrace floor is tropical wood. The house has **large aluminum windows** with a remote-controlled **exterior blind system**. The kitchen is fully equipped, including an american fridge and **wine cellar**. A **Loxone smart home system** adjusts multiple appliances, such as heating and blinds, via outdoor sensors. In the garden is a **Swimspa USSPA swimming pool** and a terrace shaded by a **sliding awning** powered by an electric drive. The house is heated by a gas BUDERUS boiler; the living room and all bedrooms are **air-conditioned**. There is also an exceptional amount of parking spaces: a garage with an access to the house and **two parking places** in front. **An outdoor fireplace** has been built in the garden and the resort's gardener can be contacted to maintain the garden. Only residents and guests are allowed inside the complex to ensure a **maximum amount of safety and privacy**.

The resort is in a pleasant location with access to full civic amenities. There are two pre-schools, elementary and secondary schools, a post office, and various restaurants close-by. In addition, there are also multiple sports facilities nearby, for example, **2 golf courses** and the Charles University sports complex with a **covered swimming pool**. Near the resort there is the **Hostivař forest park** and a damn with tennis and beach volleyball courts (these courts and beaches are about a 10 minute walk from the house). Shopping malls can also be easily reached. The Háje metro station is a 12-minute bus ride from the resort.
