This eight-bedroom, eleven-bathroom luxury beachfront residence offers unparalleled beauty and privacy on Grand Cayman's tranquil northeast coast.

Perched on a **29-foot bluff**, the Twin Coves Estate is quite simply, a work of art. Exceptional interior features include high ceilings, crown molding, a hand-carved alabaster fireplace, an **onyx floor inlay glass elevator**, and so much more. Furthermore, there is **central air-conditioning** and a security system. The exterior of this property is just encapsulating as its interior. Overlooking the turquoise ocean, Twin Coves boasts **two white sand swimming coves**, a **large swimming pool**, and an expansive terrace among the beautifully landscaped grounds.

The estate is located in East End, one of the six districts of the Cayman Islands, on Grand Cayman. The East End is known for being more **secluded and tranquil** yet features top restaurants as well a top water activities such as snorkeling, kayaking, jet skiing, or simply relaxing on the **gorgeous beaches** alongside turquoise waters.

**Interior: 15,000 sq ft.**

This property is being sold by Provenance Properties. Ruth Gustafsson is the agent.
