This newly-built bright and airy family house with an east-facing garden stands in the middle of the Šárka-Lysolaje nature park, in a place with a charming atmosphere and a beautiful view of the Church of St. Matthias.

The layout of the entrance level consists of a sunny living room with an adjoining garden terrace, a dining area, and a partly separate kitchen, a guest toilet, a utility room, and a corridor with access to the garage. The 1st floor is used as a **parent's suite**; there is a study, a bedroom with direct access to a bathroom with a separate toilet and a **preparation for a sauna**, a separate room (usable, for example, as a closet or another study), a gallery, and a terrace with an outdoor staircase to the garden. Upstairs, there are 3 bedrooms (1 with an en-suite bathroom) and a shared bathroom.

The high-quality facilities include large-format wooden windows, **oak floors**, **air conditioning**, a fireplace, underfloor heating, a central vacuum cleaner, and a preparation for security equipment. Parking is possible in the garage and on the paved area on the land. Final approval issued in 2018.

The unique location of **Tichá Šárka** offers perfect tranquillity, privacy, fresh air, and proximity to pure nature. All other necessities are a few minutes away by car or bus. A bus stop is nearby, the ride to the **Dejvická** metro station (line A) takes just 12 minutes. The ISP International School in Nebužice, the Global Preschool, or the airport are all within short driving distance. There are a lot of hiking paths in the surrounding forests, as well as bike trails, which lead to many popular tourist destinations.
