This newly built villa showcases the most sophisticated contemporary architecture, resplendent with beautiful views, a sauna, a Jacuzzi, and a heated infinity pool facing the water. Only 20 meters from a private beach, it's a peaceful oasis ideal for rest and relaxation.

The villa is divided into 4 bedrooms with their own bathrooms, a spacious living room, and a fully equipped kitchen with a dining area. Each room has access to a terrace with enviable views of the open blue water. The large terrace with a heated pool is a perfect place to relax in, or head out to the private beach to enjoy tranquil moments and listen to the waves. A garden, sauna, Jacuzzi, and 3 parking spaces make this a truly special home.

Nestled into a bay facing two picturesque islands, this jewel of a villa is located between Vela Luka port and the capital of Korčula Island with its iconic steps and fortified towers. The island offers both pebble, sandy, and rocky beaches and is a well-known surfing, yachting, or scuba-diving spot.

Usable area: 350 m², terrace: 200 m², built-up area: 520 m², land: 1,026 m².

Sale in the form of company transfer.
