This large south-facing plot with beautiful views of the surrounding area is situated in the calm Central Bohemian village of Dřínov, located only about a 15-minute drive from the northern edge of Prague, where there is a direct bus link to the village.

Utility networks end at the border of the neighboring plot, so it is only necessary to establish a connection. Access to the plot of land is via a paved road.

Part of the offer is a **study for a family house**, which naturally fits into the sloping terrain. The floor plan consists of a garden level living space with an open plan kitchen, dining room, and adjoining **terrace**, a master bedroom with a dressing room and bathroom, 2 other rooms with bathrooms, utility facilities, and storage space. The entrance to the house is planned at the level of the driveway. The entire house will **open onto the garden**; the floor-to-ceiling glass walls will provide incredible views of the surrounding countryside and bring plenty of daylight into the interior.

A very nice place near **Zlosyňský Grove** with **forest play elements**; in the village, there are 2 children's playgrounds and a grocery store or a delivery point of the Czech Post Office. A kindergarten is within a 5-minute drive. There is an elementary school and a pharmacy in the neighboring village of Úžice, as well as a **direct train connection to Prague to the Masaryk Railway Station**. You can get to Prague directly from Dřínov to the Kobylisy metro and tram station by a **suburban bus** that stops near the future house. Driving by car is very easy thanks to the nearby D8 motorway.
